Rough Breakdown of Tasks		Task	Owner(s)	Due	Status	
	1	Choose dataset/question to answer	All	10/8 or 10/9/2023	Completed	
	2	Call Data/Clean Dataset/Preprocess Data	All	10/12	Completed	Using Pandas
	3	Exploratory Analysis/ML Models	Individual	10/15	Completed	
	5	Finalize ML Models	Individual	10/16	Completed	
	7	Create Visuals and Presentation	Individual	10/17-18	Completed	Using Tableau and Matplotlib
	9	Add Info to Repos and Present	All	10/19	Completed	
	11	README file	All	10/19	Completed
